

# P&C BOOK DRIVE

The P&C have decided to run a book drive to help support our teachers in the implementation of the C2C (Curriculum into the Classroom—DETE) and the national curriculum.

C2C lists a set of recommended texts for teachers to use. While our library has many of these picture books and novels, more than one copy is often required. Frequently, the classes in a year level are all working with the same book at the same time.

To help ensure that our children have the best access to resources used in these C2C units we are asking for donations in our very first P&C Book Drive.

Your \$20 donation will allow us to purchase a book that will be used in the direct teaching of our students. To acknowledge your generosity, a nameplate will be adhered into the front of each donated book—a lasting legacy for your family in our school.

**Note: Please do not donate actual books as the money will go to the purchase of books specifically requested by teachers.**

If you would like any more information please contact the P&C via email.

**If your family wishes to donate money for the purchase of a book/s please complete the form below and return with your cash donation to the P&C box by Friday 24 May.**
