INVITATION TO CELEBRATE WHAT'S GREAT ABOUT STATE EDUCATION

More than 480,000 students and 38,000 teachers across Queensland will take part in State Education Week from Monday 19 May until Friday 23 May.

Here at Fairview Heights State School, we are looking forward to opening our doors and inviting you and the wider community to visit our school and help celebrate what's great about Queensland's State Education System.

State Education Week is one of the biggest events on the State School Calendar and is an opportunity to highlight the achievements of our students and teachers and to showcase all the wonderful work we are doing in our schools.

Please look at our list of school events that are happening throughout the week and be sure to return your RSVP to one or more of our activities on offer. We look forward to your attendance.

Don't miss this opportunity to come and help us celebrate State Education.
