EXTREME WEATHER EVENT

Dear Parent/Caregivers,

Today we received from Department Education and Training District Office information regarding the upcoming extreme weather event that could occur tomorrow.

Advice received from the Bureau of Meteorology is that the cyclone will cross the coast early on Friday morning and that heavy rain will fall across the region during the day. This may cause local flooding.

Parents are encouraged to make the decision about students attending school tomorrow in light of the impending weather forecast. If you make the decision to send your child to school and the weather deteriorates, you can arrange early departure for your children through the office.

If you elect to keep your child at home, you must notify the school.

PREFERENCE FOR FRIDAY 20 FEBRUARY:

1. The School App using Parent eForms > Absentee Note
2. Email the.principal@fairheigss.eq.edu.au
3. OR Student Absence line on 46 592 860

Please keep safe and drive to the weather conditions.

Julie Raitelli
Principal
