Dear Parents or Guardians,

The Toowoomba Life Education Mobile Van will be making its annual visit to Fairview Heights State School from the **17 March -27 March 2015**.

This year Life Education and 'Healthy Harold' the Giraffe will continue to deliver fun and interactive programs suited to your students. In 2015, we hope to see the introduction of some exciting new modules and technology. We have made some changes to the Life Education Mobile Learning Centre and also to the programs delivered. With your school's assistance we can help children live a safer, smarter life.

Life Education and "Healthy Harold" the giraffe offers a broad, positive health program, with a particular focus on preventative drug education.

The programs are aimed at children in their **primary years (Prep – Year 6)**. Through participation in Life Education and in conjunction with the school health program, opportunities are provided for children to develop. An overview of programs for each year level will be available on our Website and App.

1. A healthy respect for their bodies and for themselves.
2. Self-esteem and self-awareness.
3. Skills to assist them in dealing with peer pressure.

With these understandings, Life Education aims in equipping children with the knowledge to make informed decisions, individual choices, and to support them in reaching their full potential. **The cost of the program is \$8.** This cost includes a visit to the van and a year level booklet.

Please complete the form below, enclose payment and return to school by **Wednesday 11<sup>th</sup> March. NO LATE PAYMENTS**

Yours in Education  
Gary Pascoe - Deputy Principal
