

FAIRVIEW HEIGHTS STATE SCHOOL

"Growing Together, Learning Forever"

10 May 2013

Dear Parents / Guardians,

The Toowoomba Life Education Mobile Van will be making its annual visit to Fairview Heights State School from **Tuesday 11 June to Friday 21 June**.

Life Education and "Healthy Harold" the giraffe offers a broad, positive health program, with a particular focus on preventative drug education.

The programs are aimed at children in their **primary years (Prep-Year 7)**.

Through participation in Life Education and in conjunction with the school health program, opportunities are provided for children to develop

1. A healthy respect for their bodies and for themselves.
2. Self-esteem and self-awareness.
3. Skills to assist them in dealing with peer pressure.

With these understandings, Life Education aims in equipping children with the knowledge to make informed decisions, individual choices, and to support them in reaching their full potential. The cost of the program is **\$8**. This cost includes a visit to the van and a year level booklet. FHSS Refund Policy applies.

Please complete the form below, enclose payment and return to school by **Monday 3 June**.
NO LATE PAYMENTS.
