Student Exchange Australia New Zealand is a not-for-profit secondary exchange organisation which is registered with education authorities in each State and Territory.
In June/July 2011 Student Exchange Australia New Zealand Ltd will be receiving exchange students from Europe, the USA and South America. Our new arrivals will live with a host family and attend a local school for 2-10 months.
As we plan for their arrival, we are keen to hear from suitable families who might be interested to host a student. Host families come in all shapes and sizes, backgrounds and ages. To this end, we would be grateful if you would place a notice in your newsletter/bulletin or mention it on your website. Please note that all our host families are interviewed in their homes and carefully checked for suitability.
If you have any questions about hosting an exchange student or would like to view profiles of students arriving from other countries, you can either email cspencer@studentexchange.org.au or call our office on 1300 135 331. No obligation. You can find out more about our organisation by visiting www.studentexchange.org.au.
