Dear Parent/Caregiver

FAIRVIEW HEIGHTS SWIMMING PROGRAM – Term 3- PREP, YRS 3, 5 & SEP

In 2012 we restructured our school swimming program. This was done to address concerns over our Fairview students' water safety ability. In the years since, our swimming program has been an overwhelming success with record numbers attending. In **Term 3 Prep, Years 3, 5 and the SEP** will complete **9 x 30min lessons.** In Term 1 Years 1,2,4 and 6 students completed swimming lessons.

Swimming lessons will once again be at the Glennie Aquatic Centre. The Glennie Swim team provides us with more swim teachers, lower group sizes, a larger pool area and free swimming caps for all students. All swimmers will be grouped in ability levels and assessment provided at the conclusion of the 9 lessons. This information will be vital in determining which students are able to participate in the school carnival. Our carnival will be held in Term 4 to allow students time to develop skills learnt in lessons.
This is a great opportunity to improve not only the swimming skills, but also the lifesaving of our students. **At a cost of only $75.00 INCLUDING the bus** this represents outstanding value. If attending a private 30 min swim lesson it would cost between $12 and $20 per lesson**. Payment is due Friday 4 August 2017. No late payments received. We accept payment in full or by instalments.**

Refund Policy:
*When students miss lessons the swim teachers are still employed regardless, meaning the school still pays for that lesson. Refunds will only be given to students who miss **3** or more lessons. Refunds will only be offered at **50%** of the lesson fee.*

Once payment has been finalised, a further note with timetables and details will be sent home.

Lessons will commence on Monday 14 August and run for 3 days a week for 3 weeks on Mon, Tue and Wed. The last swimming lesson will be Wed 30 August. This method of an intensive swimming block has been proven to increase the retention of skills gained. We are excited about the potential of a bright swimming future here at Fairview. We really hope everyone will take the opportunity to be involved.
